

RETURN POLICY

Please inspect product carefully upon delivery. Occasionally product is damaged during shipment, or may be otherwise unsatisfactory. Also, mis-shipments sometimes occur in spite of our best efforts. Please be sure to mark the shipping invoice appropriately when you refuse acceptance of product, or fail to receive product listed on the shipping invoice. Yell-O-Glow cannot issue credit for product for which we have a signed shipping invoice indicating acceptance.

We do understand that damaged or unsatisfactory product may not always be immediately evident to your receiver. In the event that the product is discovered to be unsatisfactory after it has been received, you must contact your Yell-O-Glow sales representative or the main office to initiate a request for credit within 24 hours. Senior Management must review all credit requests for approval. Yell-O-Glow's drivers are not permitted to accept returns unless they have an approved credit memo.
